

**International Conference
on
Safety of Medicines**

&

**19th Annual Conference of
Society of Pharmacovigilance, India
(SoPICON 2022)**

Virtual / Hybrid

17-18 September 2022

**Organized by
Society of Pharmacovigilance (SoPI) India**

SoPICON-2022

Dear Delegates,

As you are aware that the “Society of Pharmacovigilance India” (SoPI) hold annual conferences on varied topics of Pharmacovigilance. For the last 2 years, we could not organise the annual conferences/general body meetings of the Society due to some unavoidable reasons. This year, we have decided to hold the 19th annual meeting on the occasion of “National Pharmacovigilance Awareness Week” from 17-23 September 2022 through online/hybrid mode. The scientific events would include two prestigious orations, guest lectures, free papers, poster presentations, quiz competition for students and exhibition of national and international literature related to the discipline of Pharmacovigilance. The orations and guest lectures will be delivered by eminent invited speakers. In this regard, those who are interested to deliver oral presentation, please send the abstract in the prescribed format and duly registered so that the same could be included in the final scientific program as earliest.

Hope to see all of you online

With regards,

**Dr. Sandeep Agarwal
President, SoPI**

**International Conference
on
Safety of Medicines
&
19th Annual Conference of
Society of Pharmacovigilance, India
(SoPICON 2022)**

**VIRTUAL / HYBRID MODE
September 17 -18, 2022**
